

A reliable Norwegian company specializing in European-style cable trays

Overview

Founded in 1953, Meka Pro Oy is a renowned family company, specializing in manufacturing and marketing high-quality cable support systems. Oglaend System was founded in 1977 in Sandnes, Norway. From the very beginning our goal has been to become the leading supplier of multidiscipline support systems, cable trays and cable ladders world-wide. Our product range includes galvanized steel and acid-proof steel cable ladders, cable trays, wire mesh trays, lighting tracks, and aluminum-frame cable. These are cable management systems composed of trays, mounting support systems, direction changing parts, connection parts and fittings with the purpose of carrying and fixing cables safely in the electrical installations. We help you! We understand that every project has unique requirements. Let's explore the characteristics of these platforms together. [com](#) provides buyers with a free hand to explore customized cable.
