

Irish manufacturer s 2-core fiber optic terminal box

Overview

Masterlan FBOX2 is a 23mm-thick optic socket outlet. It is the ideal product for building FTTH metro networks (Fiber To The Home). Allows to ending 2x SC simplex / 2x LC duplex or 2x E2000 simplex connectors. The socket can be screwed on a plaster, cable entries are from the bottom. Fibretec Solutions is an Irish based Design, Manufacturer, and Installer of Network Products. We design and Manufacture Products in our Factory in Limerick, Ireland, and Provide a Nationwide Installation Service Established in 2006 Fibretec Solutions has become a leader in the Manufacture of Fibre. Outdoor FTTH connection box with Allen key lock, gray color, made of ABS material and is used for connecting/terminating up to 8 fibers and storage of 4 optical connectors thanks to the integrated optical cassette. The box can be attached to the wall without any problems thanks to the handles on. This 2-core optical termination box features a sliding cover design, providing high protection for fiber connection joints to minimize the risk of damage. Typically installed at end-user points like desktops, rooms, and homes, it accommodates 2 SC / LC adapters and supports both mounted and. The 2 port surface mount fiber enclosure serves as termination point designed to joint drop cable and pigtail in home or office for wall mout or suface mount installation. The. Robust and easy to deploy, our termination solutions for indoor and outdoor applications are ideal for single dwelling unit (SDU) and multi-dwelling unit (MDU) configurations.
