

Nordic Innovative Distribution Box

Overview

Our product line Nordic contains robust storage boxes and lockable lids in five different sizes - 15L, 23L, 33L, 55L and one underbed with wheels. Stable and sturdy boxes for long durability even when handled roughly. The boxes can be stacked or nested, depending on. Our Journey - from Nordic Startup to Part of Europe's Leading Tech Distributor: We were originally founded as Newgen Distribution in 2012 by Axel Diurson, Max Ellberg, and Johannes Müllner with a clear vision: to build a fast-moving, forward-thinking distribution company focused on emerging. We are building a strong distribution network to make our products easily available in more markets. Our authorised distributors offer local stock, technical expertise, and full product support. Newspapers: Powering the delivery of all newspapers in Norway and over 90% of the market in Sweden. Parcels: Providing a network with over 15 000 couriers we have a complete reach of delivering parcels. Albion Nordic AB is located in Enköping, Sweden and is a rapidly expanding distribution company with a long history in the indoor climate industry. The award, presented by the patent offices of Sweden, Denmark, Finland, Iceland, and Norway, highlights Nordic companies developing solutions for a more sustainable future.
