

Optical junction box pole mounting bracket

Overview

Pole mount bracket made from weather resistant ASA material. Suitable for both for vertical and horizontal mounting. Can be used on any flat-bottom boxes. Pole mount is possible. Fibre optic closures and accessories are essential for protecting and managing fibre optic connections in diverse network environments. Designed for durability and reliability, these closures safeguard splices and terminations from harsh weather, dust, and moisture, ensuring long term performance. Protect your outdoor electrical equipment with durable, IP65 waterproof enclosures. A full line of mounting hardware is available for the COYOTE® Closure Series ranging from one of our smallest closures, the COYOTE® LCC, to our largest offering, the 9.5" x 28" COYOTE® Dome Closure. Mounting solutions include aerial strand and ADSS mount, pole and wall mount, and underground. All of the mounts and accessories offer excellent value at an attractive price with simple, clean lines, rugged construction and options suitable for indoor or outdoor mounting use.
