

South African construction site electrical distribution box manufacturer

Overview

Brands like York, Okari, Enlec, Utilec ©, PSO1 and PSO2 are well known in the South African market and are all solely manufactured by Allbro in South Africa. Local manufacture to international standards means that products are suited to the rigors of an extremely tough local. Allbro supplies key components that are used in almost every locally made transformer. With the acquisition of ABB's South African enclosure business (York) in 2011, Allbro also became a leading supplier of non-metallic enclosures to the industrial, commercial and residential contracting trades. With more than 100 years of combined experience, the company delivers reliable, high-quality. Golnix was founded in 2001, and have been providing quality products and services for over 20 years. Golnix Plastics CC came about in 2001 having purchased all the assets, presses and moulds from Golnix CC We started Manufacturing glassfibre kiosks as well as other.
