Panduit - Leading manufacturer offering comprehensive cable management solutions with extensive technical support
Legrand - Premium supplier known for innovative wireways and superior customer service
ABB - Global leader providing heavy-duty cable trays for industrial applications.

Cable trays, as the name suggests, are structural systems used to hold and support cables and wires in commercial, industrial, and infrastructure settings. Maintenance and installation of cable trays are easy as they provide an open and flexible path for cables. We will discuss various types of.

Medium Duty Cable Tray Couplers
Wrap over design - fits to the ends of Medium Duty Cable Tray For joining 2 lengths of cable tray on a straight run
Pre Galv Steel - British Standard Specification. They allow for easy access for maintenance and future expansion because cables can be laid directly into the tray rather than being pulled through a conduit.
