

Transparent Three-Level Distribution Box

Overview

Built from durable ABS plastic with a clear lid, this IP65-rated breaker box safeguards against dust, water, and impact damage. Compact yet versatile, it includes a DIN rail and mounting brackets for quick installation indoors or outdoors. Transparent dust protection design, dustproof and insulated, you can detect the status of internal wiring without having to open the cover. Safe and reliable: the connection distribution box has good insulation performance as well as a fire and explosion-proof design that effectively isolates power. SEE-ME31 is a multi-functions meter enclosure for three phase meters. The enclosure can accommodate one piece of BS type single phase meter or maximum two pieces of DIN rail type single phase meters. The IP class can. Zhejiang Kangge Electric Co. with the logo CANGO, established in 2010, located in Yueqing Industrial Park. Zhejiang Province, is one of the technological enterprises in Zhejiang province, who devotes itself to the design, R&D, manufacture, sale and service of meter box. Since the establishment in. Please login first! LSHF Cable (Low Smoke Halogen Free Cable) or also called LSZH (Low Smoke Zero Halogen) is a type of international classification that is used to cover the wires in the cable industry both steel and other types. Another. The Waterproof Electrical Distribution Box, with its high-definition transparent cover, is a transparent panel that not only allows for easy monitoring of the internal components, but also enhances the overall aesthetics, making it perfectly suited for functional applications.
