

UK PC Single-Mode Fiber Optic Flange

Overview

Connect your fiber optic cables seamlessly with this FC UPC/A-PC flange coupler adapter. Designed for single-mode applications, this female-to-female adapter provides reliable connectivity for your fiber optic network infrastructure. Amphenol's 944 series fibre optic FC connectors effectively terminate optical fibre in a variety of network applications. The connectors are secured using a threaded coupling nut. FC connector has a threaded coupling body designed to provide a secure connection in high vibration environments and consistent results when testing. With a wide selection of connector types to choose from and common cabling for front and back connections, custom I/O configurations. Threaded FC/PC connectors are designed for high-vibration environments. Mouser offers inventory, pricing, & datasheets for Singlemode Simplex Fibre Optic Connectors.
